Australian Council of State School Organisations Limited

## **ACSSO Celebrates World Teachers' Day 2023** ***Recognising the Heroes in Our Classrooms***

As we approach World Teachers' Day on October 27, the Australian Council of State School Organisations (ACSSO) joins the Australian community in celebrating the invaluable contributions of our teachers. The theme for this year, "*The Teachers We Need for the Education We Want: The Global Imperative to Reverse the Teacher Shortage*," resonates deeply with our commitment to support and honour the tireless efforts of teachers who play a critical role in shaping the future.

On this World Teachers' Day, we express our gratitude to the unsung heroes in our classrooms.

ACSSO recognises teachers' immense impact on the lives of individuals and communities. Through their unwavering commitment to education, teachers impart knowledge and inspire and empower the next generation of leaders, thinkers, and change-makers.

We invite everyone to join us in recognising the incredible work of teachers. Share your stories, express gratitude, and let Australia know that teachers are indeed at the heart of education recovery.

To all the teachers who inspire, guide, and uplift, thank you for your unwavering commitment to shaping a brighter future for our children.
